

Sarcoxie HS Sports Physical 2020 Announcement

Sarcoxie High Alumna, Destinee Salyer, Physician Assistant, (PA-C) and other providers from Mercy Stones Corner Family Medicine Clinic, will host free sports physicals for HS and MS student athletes on Tuesday, July 28th, 2020 from 6:00p-8:00p. Per MSHSAA guidelines, those eligible for sports physicals for the year 2020 and who are from (incoming) grades 7-12 may attend. If your child is in this age group and received his/her sports physical last school year, per MSHSAA, does not need a physical this year. If your child received his/hers in 2018 or is an incoming 7th grader, is then eligible and may attend on July 28th.

If you are the parent bringing the child, we are asking you to please wear a mask and have your child wear one as well. We are following district guidelines and want to keep you and your athlete safe. If you do not have access to a mask upon arrival, we do have some available. You will also need to bring a MSHSAA sports physical form, completed upon arrival. If you do not

have access to a form or have not received one, there will be copies at the front door. We ask that you fill those out at that time, but know that your exam time may be delayed a few minutes.

We will have designated seats in the gymnasium and plan to have this a smooth, quick come-and-go style session. Below is listed the time slots for your student athlete to arrive. We hope to make this a great evening and look forward to the turnout.

Upon arrival, please wear a mask and enter the East gymnasium doors. Upon exiting, please follow the signs throughout the gym posted and exit the North gymnasium door. Thank you.

6:00p-6:30p: incoming seniors/juniors

6:30p-7:00p: incoming sophomores/freshman

7:00p-7:30p: incoming 7th and 8th graders

7:30p-8:00p: free to anyone who missed the above time slot
