Fax: 417-548-7193

Mrs. Chawn McCann, *Special Education Process Coordinator*
Mrs. Ashley Lambeth, *Federal Programs Coordinator*

Dear Parents,

This letter is to update parents on information from Missouri's Division of Special Education in regard to changes resulting from the Reauthorization of the Individuals with Disabilities Education Act (IDEA) of 2004. The Division posted a revised copy of the Procedural Safeguards Statement for Children and Parents. The date on this copy is August 2009. This document will now be given to parents at least one time annually for previously identified children in Special Education. School Districts will no longer be required to give out these safeguards every time there is a meeting on a child previously identified.

School Districts can also ask parents to view the Procedural Safeguards online **or** send them via email to parents and guardians. The Procedural Safeguards Notice is 28 pages long at this time; receiving the information electronically can save the district substantial costs, as well as saving our natural resources. In addition, we would also ask if you are interested in maintaining your child's IEP copy at the school, to save copying costs.

If you have any questions, please call Sarcroxie's Special Education Office at 548-2153 extension 332.

Thank You,
Chawn McCann
Kristy Barnard
Special Education Sarcroxie R-II School District

I will access the Procedural Safeguards Notice and Bill of Rights through our school's website at http://www.sarcroxieschools.com/district_documents.html

I would like to receive the Procedural Safeguards Notice and Bill of Rights through my email.

Parent Email Address _____

I received in person a copy of the Procedural Safeguards and Bill of Rights.
