SHARED RESPONSIBILITY FOR HIGH STUDENT ACHIEVEMENT

School-Parent Compact

The School-Parent Compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. Section 1116 (d)

The school jointly develops with parents of Title I.A served children the school-parent compact.

The school-parent compact will

- Describe the ways in which all parents will be responsible for supporting their children's learning. Section 1116 (d)(1)
- Encourage my child to complete his/her class work and insist that all homework assignments be done on time.
- 2. Make sure my child gets adequate sleep, has a healthy diet, and attends to his/her personal hygiene.
- 3. Be available and maintain positive ongoing communication by attending parent meetings and reading notes/newsletters sent home.
- Provide a home environment with a quiet time and place to study that will encourage my child to learn.
- 5. Remind my child of the necessity of discipline in the classroom, especially self-discipline.
- 6. Ensure my child attends school regularly and arrives on time.
- 7. Encourage my child to accept responsibility for his/her choices. Volunteer in my child's classroom as needed.
- 8. Show respect and support for my child, teachers, staff and school rules.

Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment. Section 1116 (d)(1) 1. Provide high-quality curriculum and instruction in a supportive and effective learning environment. 2. Provide quarterly grade cards on your child's progress. 3. Hold annual parent/teacher conferences to discuss your child's progress. 4. Be accessible to parents through phone calls, emails, and scheduled meetings. 5. Maintain positive communication with students and families to support students' learning. 6. Observe and respond to the needs of your child. Addresses the importance of communication between teachers and parents on an ongoing basis through, at a minimum Conducting parent-teacher conferences at least annually, during which the compact shall be discussed Issuing frequent reports to parents on their children's progress Providing reasonable access to staff, opportunities to volunteer, and observation of classroom activities Ensuring regular two-way, meaningful communication between family members and school staff, and, in a language that family members can understand Section 1116 (d)(2)(A) (B),(C),(D) **BUILDING CAPACITY FOR INVOLVEMENT** To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, the school Provides assistance to parents, as appropriate, in understanding o the Missouri Learning Standards, o the Missouri Assessment Program, o local assessments, o how to monitor a child's progress, and o how to work with educators to improve the achievement of their children. Section 1116 (e)(1) Describe plans to provide assistance. The district will assist parents by having information on the school website, handouts sent home, parent/teacher conferences, and host informational nights throughout the year for parents. Provides materials and training to help parents work with their children to improve achievement. Section 1116 (e)(2) Describe plans to provide materials and training. The district hosts numerous parent nights throughout the year to assist parents with students' academic achievements. Some of the nights include open house, parent teacher conferences (scheduled and upon request), FAFSA nights, scholarship nights, etc. Educates teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. Section 1116 (e)(3) Describe plans to educate school personnel regarding working with parents. Principals provide information and tips to teachers during faculty meetings.

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, the school

To the extent feasible and appropriate, coordinates and integrates parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conducts other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children. Section 1116 (e)(4)

Describe plans to coordinate and integrate.

The district works with other programs to host numerous parent nights throughout the year to involve parents with students' academic achievements. Some of the nights include open house, parent teacher conferences (scheduled and upon request), FAFSA nights, scholarship nights, etc. Teachers are encouraged to send home resources and websites that are used frequently in the classroom. The district also uses the school website and social media avenues to provide information and resources for parents.

COMPREHENSIVE NEEDS ASSESSMENT (school level)

Section 1114(b)(6)

- A comprehensive needs assessment of the entire school has been conducted.
- ✓ The needs assessment includes analysis of the achievement of students in relation to the Missouri Learning Standards.

Date of Needs Assessment

4/4/2024

NEEDS ASSESSMENT: SCHOOL PROFILE

Student Demographics

- Enrollment (Required)
- ✓ Grade level (Required)
- Ethnicity (Required)
- Attendance (Required)
- Mobility (Required)
- ✓ Socioeconomic status (Required)
- ✓ Discipline (Required)
- ✓ Limited English Proficiency (Required)

Summarize the analysis of data regarding student demographics:

Strengths:

- 1. Good Attendance Rate
- 2. High Graduation Rate
- 3. High Graduation Follow-Up Rate

Weaknesses:

MAP Scores Limited resources for ELL population

Indicate needs related to strengths and weaknesses:

Continue seeking a full-time ELL position.

Ensure services are being provided to the students in the free and reduced lunch population.

Make tutoring available for students at risk of not meeting state standards.

Student Achievement

The following data regarding student achievement has been collected, retained, and analyzed:

- MAP results by content area and grade level, including multi-year trends (required)
- MAP results by ESEA Annual Measurable Objective: comparative data showing performance of disadvantaged students against all other meaningful categories of students in the school; comparison of performances of students in various subgroups (required)
- ✓ Completion rates: promotion/graduation rate, retention rates (if applicable)
- V Post-Secondary trends: students attending and/or completing post-secondary schools, students accepted in the armed forces (if applicable)
- Other performance indicators used in analysis:

Career Education Placement Technical Skill Attainment

Summarize the analysis of data regarding student achievement:

Strengths:

Graduation Rate Participation Rates School-wide Title 1 Program which allows us to provide services to any student that need them.

Weaknesses:

We are always looking to increase our MAP and EOC scores. Our MAP data indicates a discrepancy between our ELL population and our non-ELL population.

Indicate needs related to strengths and weaknesses:

- 1. Improve math and science proficiency rates
- 2. Continue to recruit and retain quality math and science teachers and paras to assist teachers in the classroom.
- 3. Provide tutoring services for students both inside the school day and/or provide after school tutoring and homework help as needed. $\,$
- 4. Continue to prepare students for the work force or college placement once students have graduated. The trends are showing that more of our student population is entering the workforce once they graduate so the district will continue to support that track as well as those entering a postsecondary institution or college.
- 5. Using research based programs, monitor student progress in all subject areas and continue to review effective teaching practices and materials through grade level and department level meetings with the curriculum director and principals, instructional coach.

Curriculum and Instruction

Data has been collected, retained, and analyzed regarding each of the following factors of curriculum and instruction at the school:

- Learning expectations
- Instructional program
- Instructional materials
- ✓ Instructional technology
- Support personnel

Summarize the analysis of data regarding curriculum and instruction:

Strengths:

The district has quality support personnel in place to assist teachers and students with learning. The district continues to increase the number of instructional technology devices within the district. The MS and HS are fully 1:1.

Teachers at the middle school level and EOC courses use USA test prep, Edgenuity, and classroom assessments to determine student needs and areas of weaknesses.

Weaknesses:

All grade levels implementing Eureka Math resources with fidelity and successfully addressing gaps that have been identified in the resources to meet the MLS.

Writing in content areas

Math resources that do not meet all of the MLS

Ensure fidelity and accountability that teachers are following the vertical alignment and using the resources to meet state standards. Actively work with teachers to identify good resources that can be used to supplement the core curriculum resources in order to fill in the gaps.

Summari	ze the analysis of data regarding family and community engagement :	
	Strengths:	

Data has been collected, retained, and analyzed regarding each of the following factors of a high quality professional staff:

✓ Staff preparation

✓ Core courses taught by appropriately certified teachers

According to the end of the year parent engagement survey. The top highest ratings are as follows:

1. Children feel physically safe at the school.

2. Knowing who to contact for help.

3. Parents are able to contact teachers as needed.

The district, as well as community churches and outreach services, offer a number of programs to benefit our underserved students and students with special needs. A few of these programs include backpacks of food for qualifying students over the weekends, free breakfast, snack and supper offered to all students in the district, and a gently used clothing store for parents to utilize as needed. The district also provides a number of health and wellness screenings for students including vision and hearing, dental programs, a cardiac kids program for 5th graders, PAT services and screenings, Adopt-A-Snowman tree at Christmas, etc

Weaknesses:

The bottom lowest ratings on the district climate survey are as follows:

- 1. Parents being asked for input about school decisions.
- 2. Prioritizing closing the achievement gaps among students.
- 3. Assuring student voices are heard and respected.

Indicate needs related to strengths and weaknesses:

Increase communication with parents to provide more information about educational programs.

Work to promote a more positive environment among students.

School Context and Organization

Data has been collected, retained, and analyzed regarding each of the following factors of school context and organization at the school:

- School mission/vision
- Average class size
- School climate
- Management and governance
- Student discipline policy

Summarize the analysis of data regarding **school context and organization**:

Strengths:

The Sarcoxie High School believes every student can learn and achieve excellence and strives to ensure all students have access to success.

The overall school climate based on the results from the district survey indicates that parents believe the school climate is positive.

Following the CSIP and reporting to all stakeholders.
The district provides summer school courses at the HS all summer long to help bridge any learning losses and gaps. The student-to-teacher ratio has held steady the past three years at 14:1 at the HS level.

Weaknesses:

The High School is still in school improvement status.

Some parents expressed concerns about communication between the school and parents. The school has multiple different apps for communication.

Indicate needs related to strengths and weaknesses:

Continue to provide services that create awareness to students and parents about bullying and suicide prevention.

Improve communication with parents regarding school climate and educational programs.

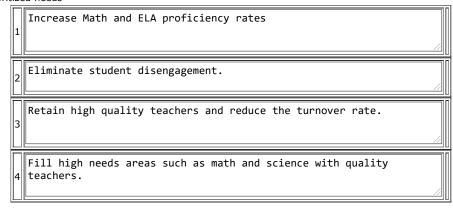

NEEDS ASSESSMENT: IDENTIFYING PRIORITIES

"In most schools, conducting a comprehensive needs assessment will result in the identification of a large number of issues that could be addressed to improve the achievement of students. However, no school should attempt to address every identified need in a single year. Most planning experts suggest that schools prioritize their major issues and address no more than three of the most important..."
